Cellular Respiration

Overall Requires

1. _____
2. _____

Overall Produces

1. _____
2. _____
3. _____

Has 3 Main Phases

Phase 1 Name

_____

Occurs in this location

_____

Reactants

Products

Other Important Molecules or Structures

Phase 2 Name:

_____

Occurs in this location

_____

Reactants

Products

Other Important Molecules or Structures

Phase 3 Name:

_____

Occurs in this location

_____

Reactants

Products

Other Important Molecules or Structures
